

MATERIALS LIST

COLORED PENCIL CLASSES

Pencils - I prefer Faber Castell Polychromos pencils and will be referencing and using these throughout the course. If you are comfortable with Prismacolor or already have a set of pencils, you are welcome to use what you are used to.

Paper - Stonehenge HOT Pressed watercolor paper (red cover) is my preference and what we will be using in the course. There are many smooth papers available and much is up to you and your personal preference so I would encourage you to try out other kinds of paper when you can.

Graphite pencils 2H, HB

Erasers kneaded and white polymer

Sharpener - I use the Swordfish Ikon for a great sharp point. Other, less expensive hand held sharpeners are just fine as well.

Computer paper/scrap paper

Some starter colored pencils if you don't want to purchase an entire set:

Faber-Castell Polychromos:

Ivory 103

Cream 102

Dark Naples Ochre 184

Dark Cad. Orange 115
